

**Looking for a Churchwide Mission Project??
Easter "*Baskets of Blessings*" Ministry
is a ministry that can include all ages – groups or
individuals in your church!**

We ask for each basket to be gender-neutral, include Easter grass, and wrapped in cellophane. A few "filler" suggestions are wrapped candy/gum, stuffed animal, Christian materials, coloring books/crayons, small toys, plastic filled eggs, and most of all - lots of LOVE!

The WMU Association team will attach a gospel tract and pray over the baskets before being donated to the NC Baptist Children's Homes.

**Deadline for drop off at the NSRBA office is Friday, March 22nd.
