

Looking for a Churchwide Mission Project??

Easter "Baskets of Blessings" Ministry

is a ministry that can include all ages – groups or individuals in your church!

We ask for each basket to be gender-neutral, include Easter grass, and wrapped in cellophane. A few "filler" suggestions are wrapped candy/gum, stuffed animal, Christian materials, coloring books/ crayons, small toys, plastic filled eggs, and most of all – lots of LOVE! The WMU Association team will attach a gospel tract and pray over the baskets before being donated to NC Baptist Children's Homes.

This year's tract is titled "God Knows My Name".

Deadline for drop off at the NSRBA office is Friday, March 31st.
